Message from President

Sabarmati Samruddhi Seva Sangh is the social wing apostolate of the Archdiocese of Gandhinagar. It coordinates and strengthens integral social development ministry in the Archdiocese. It keeps its pace along with Catholic Social Teaching of the Universal Church to reach out to every human person regardless of caste, creed or class. SSSS values and considers every person as a gift from God and serves the human persons in his/her social context.

Recently, I was present for the monthly staff meeting of the SSSS and was overwhelmed with their activities in the field of social action and development. Each project aims to motivate and empower persons to have a dignified way of life. We congratulate the staff members of SSSS for taking the social apostolate forward through health care and nutrition, through empowerment of women and children and to reinstate families who have returned back to India after going through hard times in foreign countries.

We express our sentiments of profound gratitude to Caritas India, Episcopal Conference of Italian Bishops, Manos Unidas, CBRF and Child line foundation of India for their generous financial support. With this help SSSS is able to empower the oppressed at the grass root level.

We appreciate and acknowledge the yeoman services rendered by Fr. Salvador Fernandes as the Director of SSSS for the past nine years. As the director he was able to give voice to the voiceless and raise the downtrodden. He was a silent worker who generously reached out to every parish communities and villages through his co-workers. His personality and relationship healed and brought many into social apostolate. We wish him all the best in his new responsibility.

I welcome Fr. Xavier James, the new Director of SSSS and bestow apostolic blessing on him and his work and the staff of SSSS.

May God bless the good works of our hands and help us to reach out to the needy. May we serve humanity with a cheerful heart!

Yours devotedly in Christ

+ Thomas Macwan
Archbishop of Gandhinagar

Message from Director

Sabarmati Samruddhi Seva Sangh is delighted to present its annual report for 2018-2019. SSSS is grateful to Rev. Fr. Salvador Fernandes for his dedicated and committed social work for the past nine years as the Director.

As the new Director of this esteemed institution, I am gifted with 14 committed staff who takes forward the social work of the Archdiocese of Gandhinagar to the grass root. Interventions of SSSS bring professionalism in the field of social work. Every staff is committed to his/her work by planning and implementing and reporting the tasks achieved. Everyone acquires the ability to identify oneself with the profession and evaluate the effectiveness of interventions through field visit. Regular staff meeting deals with knowledge, skill and attitude objectives.

SSSS is grateful to the operating partners i.e. priests, sisters and animators of each parish centers of the Archdiocese of Gandhinagar. I look forward to the continued cooperation and walking extra miles to reach out to the vulnerable, downtrodden and needy in our own human society.

SSSS is engaged in Nutrition Improvement through Community Empowerment (NICE) and Food and Nutrition Security Programme (Sanjivini), in order to have a healthy life in the rural villages with traditional and organic plantation and food. It also helps mother and Child safety through various awareness programmes. It assists women to benefit themselves of availing government facilities meant for them and for their family members.

SSSS helps women empowerment through forming and registering cooperative societies and various training programmes. It also helps the European returnee to reintegrate them while they are deported to India and assist them to rehabilitate and stabilize them.

SSSS helps children in difficulties through '1098' Child line. This marvelous work takes sight of the media and government officials, thus bringing good network and collaboration with the government and NGO sectors. It also helps children and persons with various types of disabilities.

We are grateful to our generous donors and appreciate their accompaniment in reaching out to the marginalized and vulnerable in the society. We are indebted to Caritas India, Episcopal Conference of Italian Bishops, Manos Unidas, Childline Foundation of India, Collective action for Basic Rights Foundation and all the well wishers.

We pray for God's blessing on SSSS and the intercession of our Blessed Mother to carry out the good work and serve the human society with all zeal and gusto.

Fr. Xavier James,
Director, SSSS

Message from Former Director

For All That Has Been, Thanks!

“Those who have a vision of life must commit themselves to journey”. These beautiful thoughts have impacted in my life while I was the Director of SSSS, Gandhinagar.

SSSS is the face of Charity and social apostolate of Catholic Church in North Gujarat working in six districts. In the life of SSSS, I’ve witnessed challenging yet enriching situations to make an option for the poor and the marginalized. It has been a joy to serve the people under my care and work with them for their development. Along with me, 22 operational partners working at the grass root level have lived the mandate of social apostolate through different programs initiated by SSSS which profoundly resonate the call of uplifting people towards dignity and standard of life. I acknowledge and place on record the presence and contribution made to this apostolate by operational partners, SSSS staff, Animators and stake holders throughout my office tenure.

Going miles to transform the lives of the people through the interventions of SSSS were proud moments. Seeing the women empowered groups taking a plunge into Co-operative Societies, Water Sanitation and Health (WASH) getting rooted in healthy service systems, food and nutrition security for tribal communities, mother and child safety being highly protected, ensuring professionalized support to people living with HIV/AIDS, guaranteeing child care, protection and rights through childline 1098, etc. are some of the marked sparkles resounded in and around my leadership. I’m happy and contented to have served this office for nearly nine years. Today, my heart is filled with gratitude for all that has been.

Having appointed me as a parish priest of Catholic Church, Palanpur by Archbishop Thomas Macwan, I’m filled with gratitude and thank each of you for all your encouragement, collaboration and support. At the same time, pray to the Almighty God to fill Fr. Xavier James with renewed spirit of taking SSSS to its best and set new standards in the humanitarian work and social transformation engagements in the years ahead.

As I move ahead for another apostolate, I request your blessings and prayers that I may be able to give my best to the people entrusted to my shepherding care.

With appreciation and gratitude,

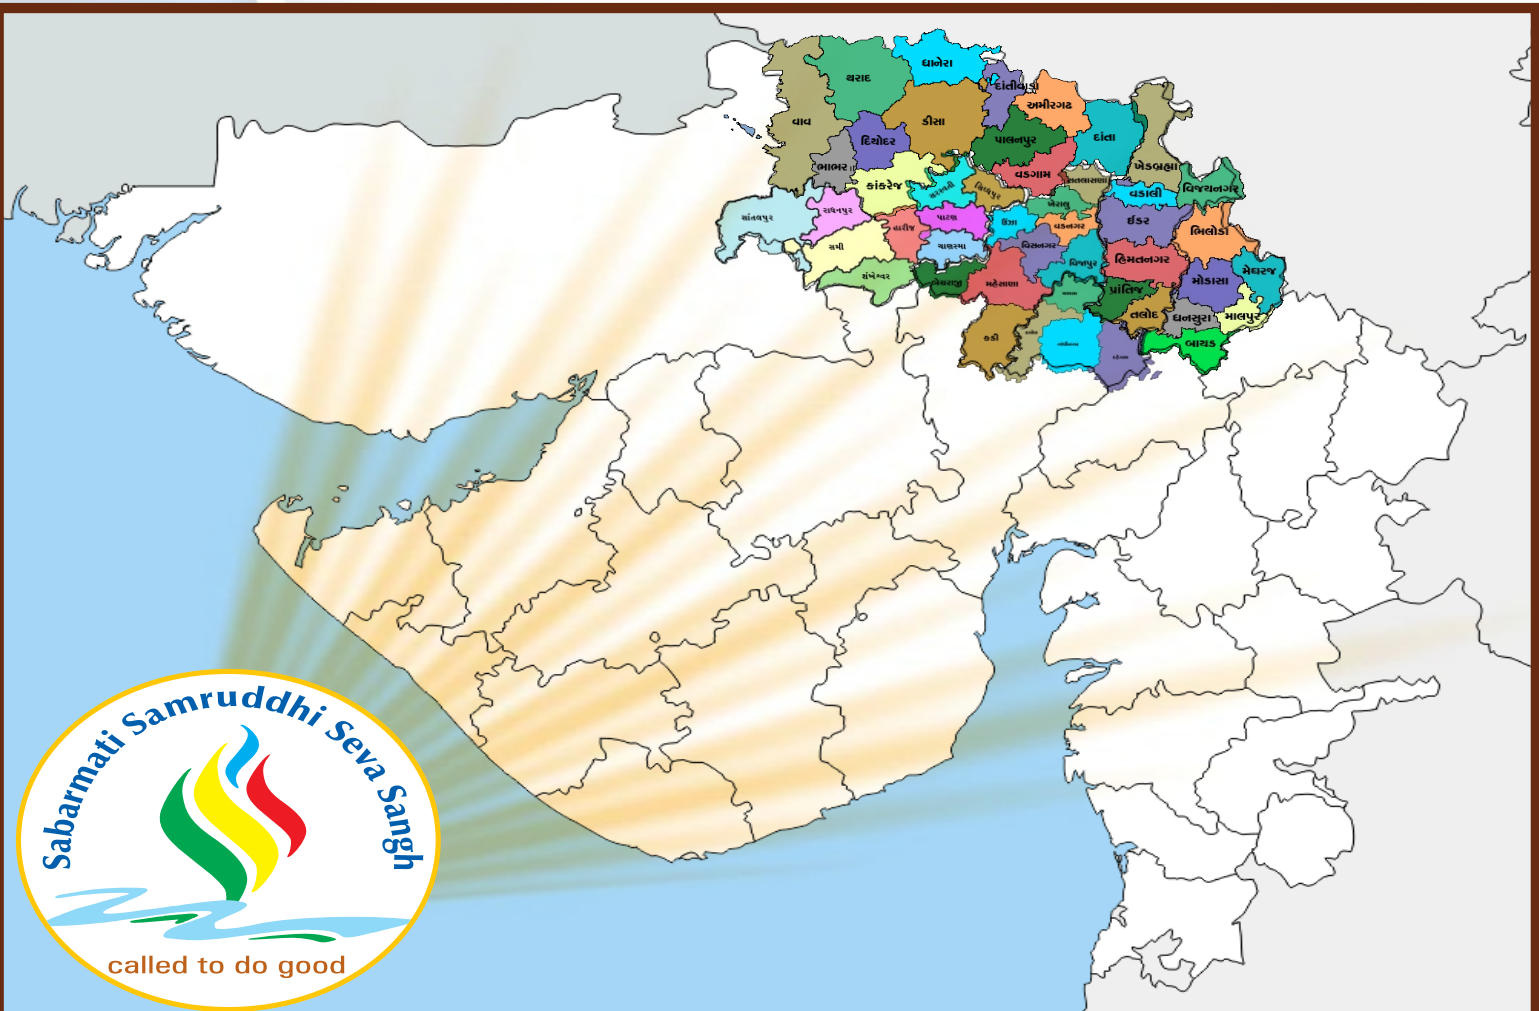

Fr. Salvadore Fernandes

ERRIN:

Migration is a way to move from one place to another in order to live and work. Since the earliest times, humanity has been on the move. They move in search of job opportunities and better life style. Some move in response to the adverse effects of climate change, natural disasters, or other environmental factors. Keeping this situation in mind SSSS, Gandhinagar has launched new programme “ERRIN - European Returnee Reintegration Network programme” with financial support partner Caritas India in February 2019. *European Returnee Reintegration Network Programme (ERRIN)* helps illegal migrants to get back to their home country in a dignified manner. It further supports in their livelihood establishment, educational and vocational training to the returnees, medical assistance and takes care of the other important aspects such as legal migration, counseling, documentation, etc. In very short span SSSS got very noticeable achievement. As per latest update SSSS & Caritas India supported 14 families in establishing livelihood, education, accommodation services.

Grassroot Level Intervention

The interventions of SSSS in Nana Kantharia center has been very motivating and life changing. The projects like "Mother and Child Safety" and "NICE" have brought a lot of awareness on medical assistance to pregnant women and children. Pregnant women have started taking nutritious food and also taking children for vaccination on time. Many training programmes which are conducted at Pethapur have helped me to understand the importance of health, hygiene and sanitation. Health camps organized in our villages have not only benefitted our women and children in improving health status

but also given them an opportunity to avail the government schemes like kasturba ,chiranjivi, Maa vatsalya, Janani suraksha.

Due to my regular visits, TB patients have started taking regular medicines and healthy diets. As a result many have recovered from this sickness. My constant visits to the various departments of civil hospital have energized my target area people to avail hospital facilities. With the trainings received from SSSS, I was able to regularize the Anganwadi workers. With the support of my colleagues, I ensured that drinking water facilities are provided to our people by the concerned authorities of the Panchayat. Training programmes and consequent field work has helped me not only to understand the problems of women and children but has provided me with knowledge and skill to resolve their hazardous and pitiable conditions. I'm confident enough to bring about a social change in the community. I am grateful to Sharmilaben and Anilbhai. I am thankful to SSSS, Pethapur, Gandhinagar for their guidance and constant support.

- **Sitaben Prakashbhai Dodiya, Nanakantharia.**

I had an opportunity to be at SSSS, Pethapur for a meeting of saving & credit co-operative. During discussions, I tried to understand the concept of Women's Co-operative Societies. Women will stand on their own for their economic development was heard over and again. These thoughts encouraged my role as an animator. With the support of Sr. Nirmala, FSAG and guidance from SSSS Staff Mr. Vaibhav Macwan & Mr. Jaifin Dund, we began our process of women membership to "co-operative". Women from Palodhar, Ramosana, Chatiyaida, Dela, Taleti, Nanidau, Rupal, Uchharapi, and Mehsana joined. Eventually number of members grew to 176. As of now, we have registered our Women's Co-operative Society with District Registrar Office, Mehsana. Our hopes are high that many more will join us. I hope to see our women taking the lead in socio-economic development and stand up for their rights & entitlements.

- **Kiran G. Senma, Mehsana.**

I appreciate CHILDLINE 1098 helpline service which is run by Sabarmati Samruddhi Seva Sangh. The whole team is packed with good communication and coordination with Government departments and officials. Now, children have knowledge about child line and its activities. I highly value the video show which was presented to our school students. Our school teachers are also part of volunteering child helpline 1098. In this programme 380 children had participated. We felt good in helping the vulnerable children.
